Complaint received about a trash pile on Hwy 216.

Inspections Pending Continued from Last Period:

Complaint about dog condition and trash at home on 216

Complaint about boat in front of home on Shoshone Dr.

The vacant lot on Commerce Street is overgrown.

Abandoned Vehicles in Scott's Village (3 vehicles). City Council decision will determine course of action.

3 Unkept property inspections in Aldrich. (2 vacant homes, one other has debris from construction)

Cases Closed this Period:

Spoke to owners about dogs. Agreed to put them away.

Complaint of trash pile on Hwy 216. Only a photo. No information on location, date, and exact issue given. Unable to locate complaint.

Other Comments:

Due to winter weather conditions code enforcement inspections and actions were placed in pending except for immediate action issues (animals). Progress will resume with the change in weather.

One complaint of animals left in cold was dealt with by animal control. Unknown exact complaint and disposition.

Chief Bill Reid updated the Council on activities at the Fire Department. They responded to 144 calls in January. The new washer and dryer have arrived and are ready to be hooked up. Most of the remodeling is complete. Chief Reid said they are going to auction off the old Snorkel truck through Pearce Auctions or something like Gov. Auctions online. Councilperson Nix asked if the old Snorkel could be utilized to help with street light and traffic light repairs. Mr. Hamby said it would have reached the old lights but will not reach our new downtown lights.

Kirk Hamby, Director of Public Works, informed the council that the three flash floods we experienced within the last three weeks did not do as much damage as they could have. This is partly due to his department keeping on top of clearing the ditches and overflow areas. He thanked the Fire Department for their donation of their old rescue truck. It has been turned in to a second brush truck and was most helpful when the first one broke down.

Shane Baugh, Director of Parks & Recreation, was not in attendance. However, Councilperson Nix shared that Pamela Smith is the new Chairman of the Park Board. He also mentioned the idea of a Dog Park in Orr Park. It would require about a 1/2 acre of property. Alabaster has one and it seems to be well utilized and Councilperson Nix said that there have been several inquiries regarding one here in Montevallo. There are no cost estimates to share at this time, but he stated there are some grants out there to help with the cost, such as grants from Purina and Pet Smart.

Soup and Bingo is this Saturday at the Senior Center.

There was no report of Golf, trails or Planning & Zoning.

Councilperson Bunt stated that Shelby County Schools will be in session on Presidents Day to make up for previous weather days. She then gave the following report:

EDUCATION

Students will be in school on Feb. 19 as a make up for bad weather days.

Montevallo Connection met on Feb. 7. You should check out their new promotional commercial on FB.

MES recognized as School of Distinction

MMS scholars bowl placed 3rd.

MHS just participated in Model UN at the University of Alabama.

Girls basketball because area champs.

UM: Stephens College of Business is currently offering free Tax Service. If you'd like to to schedule an appointment contact Dr. Doug Smith at 665-6531.

Dress for Success: UM is accepting donations from now until Monday, March 5. Needed items include men's ties, shirts, jackets, slacks, belts and shoes and women's shirts, jackets, slacks, skirts, dresses and shoes. The program is especially in need of women's clothes size 10 and up. Donors can drop off items Monday through Friday between 9 a.m. and 5 p.m. at the Global Community and Outreach Building (GLOCO) at 845 Valley St. in Montevallo

ARTS

MAC would like to thank Kirk, Herman, Shane and all that were involved in getting the Parnell Gallery painted.

New officers were elected for the Board; they are:

President - Suzanne Hurst

Vice President - Melanie Poole

Secretary - Emily Gill

Treasurer - Terry Bruno

Event Coordinator - Steve Gilbert

They are working hard preparing for Arts Fest. Any artists interested in having a booth should visit the Arts Council FB page for a link to the application. They will soon be looking for volunteers to help with the day's events so be on the lookout for that as well.

OUTREACH

Montevallo Sister City Commission is preparing for the Echizen visitors on March 16-24. They are still looking for host families. So, email MontevalloSisterCity@gmail.com to receive an application.

American Village is hosting Washington's Birthday Celebration - Monday, February 19, 10 a.m. to 4 p.m. Special admission is \$5 per person when someone in your group is wearing a historical costume; otherwise, admission is \$10 per adult, \$9 for youth (5-17) and seniors (60+). Veterans and children 4 and under are free. At Noon, we invite all visitors to gather in front of Washington Hall, where we will have cupcakes and sing "Happy Birthday" to the Father of our Country.

Library Director Lauren Bartell said circulation was down a little, probably due to the weather. She requested approval from Council to apply for a \$1,300 grant from Dollar General with zero match monies. This grant will provide books for children that are below the reading level. She then presented the following report:

JANUARY 2018

Notes:

February 16th—Poetry Slam
February 20th—Evening Storytime
February 24th—Arbor Day at the Library
February 27th—Adult Coloring Club

Planning for our summer programs continue. The library is requesting permission to apply for the Dollar General Literacy Foundation Summer Reading grant.

Steve Gilbert, Director of the Montevallo Chamber of Commerce, reported that the next Chamber Luncheon will be February 21st and the guest speaker will be Sharon Alexander with Spire. There will be a ribbon cutting on February 22nd for Fotowerks from 5:30-7:30 with food and drinks at the reception afterward. He said he will be meeting with Wade Rider to finalize a date for the Chamber Golf Tournament. Right now, it looks like it will be May 10th. The Chamber Picnic will be May 3rd.

Terri Williams with AT&T spoke and stated this is the 10 year Anniversary of U-Verse. When asked how it is determined who gets what services and why the services are not the same for all of Montevallo, she explained that the engineers look at the budget and the criteria and determine where the most customers can be served. The existing structure is copper but they are moving forward to fiber optics.

The Bicentennial Committee has approved the sign. The Council asked Debby Raymond to get a picture of the sign from Pam Phagan.

A reminder, Arbor Day is the last Saturday in February.

Abigail Heuton, Junior City Council Mayor, informed the Council that they had participated in the Youth Conference. They are also planning future meeting to discuss community events projects.

Mayor Cost stated that Sister City still needs host families for the upcoming visitors from Echizen.

Council Member Walker was absent, but his recommendations from the last Finance Committee Meeting are on the agenda to be voted on in tonight's Council Meeting.

**MEMORANDUM OF AGREEMENT
Public Safety Radio System Upgrade and Expansion**

PARTIES. This Memorandum of Agreement (hereinafter referred to as "MOA") is entered into between partners: Shelby County Commission, Shelby County Sheriff's Office, City of Alabaster, City of Calera, City of Chelsea, City of Columbiana, City of Harpersville, City of Helena, City of Montevallo, City of Pelham, City of Vincent, City of Westover, City of Wilsonville, Shelby County Emergency Management Communications District, Shelby County Community Health Foundation and the Shelby County Fire & EMS Association for the upgrade and expansion of a County wide Public Safety Radio system (hereinafter referred to as "AIRS-58". The Alabama Interoperable Radio System (AIRS) is a statewide cooperative which started in 2012 with hundreds of public agencies from Huntsville to Mobile connected together via five core switching sites with over 30,000 radio units.

Interoperability is the ability of public safety agencies to talk to one another via radio communication systems on demand, in real time, when needed. Creating interoperability requires leadership, planning, and the development of partnerships among many disparate groups at the local and state levels.

The AIRS-58 project will be led by the Shelby County Emergency Management Communications District and the Shelby County Commission. Once all the towers are operational and committed subscriber units deployed the Shelby County Emergency Management Communications District will be the official operator of the AIRS-58 initiative.

PURPOSE. The AIRS-58 initiative will upgrade the existing County P25 VHF infrastructure to a P25 700Mhz public safety spectrum and significantly expand the Shelby County subscriber base to implement a interoperable radio system for public safety first responders (law, fire & rescue, emergency management) for applicable actions in Shelby County. It will establish a digital radio foundation that is expandable to other public agencies (Municipalities, Schools, Public Works) that require interoperable radio communications.

The AIRS-58 initiative is a local collaboration formed to collectively join the State AIRS system and expand its footprint within Shelby County to all Fire, EMS and Law Enforcement agencies that elect to join to gain economies of scale and provide reliable interoperability for mutual aid assistance, 911 services and direct interactions with hospital personnel and emergency management. A current radio communications footprint for Shelby County is reflected in attachment B.

INVESTMENTS. The primary reason Shelby County does not have interoperable communications across all 41 first responder agencies County-wide is funding and partnerships. The AIRS-58 project provides both. A source of funds from which to upgrade the infrastructure and expand the offering of radio units to 41 first responder agencies that elect to participate in a collaborative program and a framework to govern and foster the communications growth. Sources and uses of the one-time funds are derived from the categories reflected below:

AIRS-58 BUDGET. The above funding estimates are based on the overall project total and the Individual scopes shall be refined upon decisions made by the AIRS-58 project team and related reviews by the stated representatives, active bids, or AIRS contracts. The final AIRS-58 budget amount may be more or less based on final subscriber counts, grant awards and local subscriber count commitments from member entities. Itemized agency commitments are estimated in attachment A with details reflected on attachment D. Municipalities may wish to further expand local coverage and/or in-building penetration by use of existing communications infrastructure. Proposed coverage maps are reflected in attachment C.

IT IS MUTUALLY AGREED UPON AND UNDERSTOOD BY AND BETWEEN THE PARTIES THAT:

- A. This MOA obligates the parties to expend money in support of the mission of an interoperable communication system for all County Fire, EMS, and Law Enforcement and build a foundation for other public entities such as Schools and Municipal/County departments requiring interop communication capabilities.
- B. The AIRS-58 collaboration will be managed by the Shelby County Emergency Communication District. Monthly subscriber fees are waived by all active AIRS-58 participants for a period of 10 years.
- C. This MOA may be revised as necessary, by mutual consent of the parties, by issuance of a written amendment signed and dated by all parties.
- D. This MOA does not restrict any party from participating in similar agreements and/or activities with other public or private entities.
- E. The AIRS-58 project shall keep and maintain records of receipts and expenditures as required by law. All books, papers, or documents directly related to this MOA shall be available for examination by AIRS-58 member entities and otherwise as required by law.
- F. Each party shall perform its responsibilities and activities described herein as an independent contractor and not as an officer, agent, servant or employee of any of the other parties hereto. Each party shall be solely responsible for the acts and omissions of its officers, agents, employees, and volunteers, if any.
- G. Each party shall be responsible for maintaining its own insurance coverage, through commercial insurance, self-insurance, or a combination thereof, against any claim, expense, cost, damage, or liability arising out of the performance of its responsibilities pursuant to this MOA.
- H. Unless terminated through written notice to the Shelby County Emergency Communication District within thirty calendar days of October 1st of each fiscal year denoted herein, this MOA shall remain in force until such time as the parties determine to terminate their participation in the AIRS-58 program.
- I. The AIRS58 matching monies are limited and designed to provide a maximum numbers of radios across the County's @2k first responders. As such, the matching dollars are based on the standard APX4000 model and accessories but can be applied to ANY model and accessories available under the AIRS program.

SIGNATURES. In witness whereof, the parties to this MOA through their duly authorized representatives have executed this MOA on the dates indicated below and certify that they agree to the terms and conditions of this MOA.

Council requested a photo of the Bicentennial Sign that has been approved by the Bicentennial Committee.

By unanimous consent, the City Council proclaimed that Arbor Day is last Saturday in February.

ARBOR DAY PROCLAMATION

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, the holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, lower our heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal,

NOW, THEREFORE, We, the Mayor and City Council of the City of Montevallo, Alabama, do hereby proclaim Saturday, February 24, 2018 as ARBOR DAY in the City of Montevallo, and urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

Further, we urge all citizens to plant and care for trees to gladden the heart and promote the well-being of this and future generations.

Adopted and approved this the ____ day of February, 2018.

Mayor

City Clerk

As we do each year, the Council also declared by unanimous consent that April 2018 is Montevallo Beautification Month.

Resolution 02122018-400

A resolution designating April 2018 as “Montevallo Beautification Month”

WHEREAS, the Montevallo Arbor and Beautification Board invites all citizens, businesses and property owners of Montevallo to beautify our city by sponsoring or volunteering in a variety of creative cleanup, beautification and community improvement activities during the month of April; and

WHEREAS, sponsors and volunteers can make a visible difference in Montevallo and in their communities, as well as create a new sense of hometown pride and accomplishment, setting an example that can help change attitudes about littering and even prevent litter in the first place; and

WHEREAS, it is fitting and proper that the Montevallo City Council recognize the efforts of the Arbor and Beautification Board by designating the month of April 2018 as "Montevallo Beautification Month."

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MONTEVALLO, ALABAMA AS FOLLOWS:

Section 1. That the Council hereby goes on record as designating April 2018 as “Montevallo Beautification Month.”

Section 2. That this Resolution shall take effect from and after its adoption.

ADOPTED AND APPROVED THIS 12th DAY OF FEBRUARY, 2018.
