Mayor Nix called on Council Member Dukes for the Sustainability Report. Council Member Dukes reported Kirk Hamby, Head of Public Works is on vacation but did share with Council Member Dukes there is a list of drainage issues, and they are being addressed it just takes time to get to them all.

Council Member Dukes reported the Historical Preservation Commission will meet tomorrow in Council Chambers at 6 pm and is open to the public.

Mayor Nix called on Council Member Eisenberg for Recreation, Preservation and Community Development. Council Member Eisenberg called on Shane Baugh, Head of Parks and Recreation. Shane gave an update on Stephens Park bathroom: waiting on doors before plumbing fixtures, etc. get installed for safety measures and the goal is to have completed by mid-September before the first big softball tournament on September 11. Shane reported he had looked into a community/ recreation center and reported you have to have community base support like Dewayne Moore said. There used to be an LLC which has since been dissolved and Dewayne was involved with that financially and in meetings.

Mayor Nix called for Education, Arts, and Outreach. Council Member Mitchell called on Savannah Kitchens Parnell Memorial Library. Savannah reported the Library has been participating in the Farmer's Market each week; Mini Music is still ongoing; celebrating "Back to School" with Popsicle Day; Craft Kit of the Month will be ready mid-August; Senior Movie Night in the theater. Council Member Eisenberg questioned how our Library is doing compared to other libraries in the area. Savannah advised the statistics are very different from city to city using a different matrix, per capita, etc. but that she would check and see if the information could be compiled by asking other libraries to share their statistics with her. Council Member King asked about Wi-Fi hot spots and would like the City to consider purchasing more for citizens to utilize. See Appendix 3.

Council Member Mitchell advised Sarah Hogan; Program Director Impact Montevallo is participating in Montevallo's Farmers' Market – this is National Farmers' Market week. No report submitted.

Council Member Mitchell called on Julia Smith, MJCC Junior Mayor. Julia reported the MJCC held its first Board meeting will be on August 15; they welcomed seven new members on August 1; MJCC will be participating at the Tinglewood Festival.

Council Member Mitchell called on Emily Gill to address the Council about ArtWalk. Emily advised ArtWalk is scheduled for October 29 with a rain date of November 5. She requested the Business License be waived for this event. Mayor Nix advised this would be taken up in Other Business.

Council Member Mitchell reported schools start this week: Shelby County Schools will startup Thursday with names that begin with A – J and Friday K – Z. August 15 all students will start school; Council Member Mitchell reported the University of Montevallo (UofM) all Fall classes begin August 22; Council Member Mitchell reported the Boys and Girls Club have increased number from 45 in 2021 to 64 in 2022 and Josh Weeks provided a report in Council packets. See Appendix 4.

Council Member Mitchell reported there would be an Education, Arts, and Outreach Meeting on August 23 from 5:30 pm – 6:30 pm in Council Chambers and there would be a Sister City Commission following beginning at 6:30 pm – 7:30 pm.

Mayor Nix called for Council Member Swords for Finance, Economic Development & Tourism. Council Member Swords reported Adele Nelson, Executive Director, Montevallo Chamber of Commerce is at Montevallo Farmers' Market and a submitted a report that is in Council Packets. Mark your calendars for Saturday, September 10 for the 4th Annual Tinglewood Festival and 20th Annual Cars by the Creek. See Appendix 5.

Council Member Swords reported Courtney Bennett, Executive Director, Montevallo Main Street is participating in Montevallo's Farmers' Market – this is National Farmers' Market week. There is a report submitted that is in Council packets. See Appendix 6.

Council Member Swords reported Montevallo Development Cooperative District (MDCD) met today, and she was voted as Board Chair. Council Member Swords gave an update on the various projects MDCD is working on: Highway 25 sidewalk project – Mayor Nix signed traffic signal agreement and it has

been sent to ALDOT; Trey Gauntt, Shelby County reported Shelby County is in preliminary stages of converting golf course into mountain bike course and that the golf course grass has been cut; Sims project, concrete is going on and still a few months away from being completed; Stephens Park has already been discussed by Shane Baugh (this is an MDCD project); walking trails at Orr Park has received a bid for the areas of the trails that had been worn away from rain, flooding and tree undergrowth and the quote is for \$45,000. There is excess funds that could be used to repair the walking trails at Orr Park. Council Member King asked if this would be to repair damaged sections of the walking track and Council Member Swords advised because of the dollar amount the project does not have to be bid out but also reported since the roads to get in are so narrow small machinery is needed to access and repair. Mayor Nix advised this could be taken up under Other Business.

Summer Camp:

- We are currently working with the Shelby County BOE and Mobile County DHR to help get some children enrolled who desperately need the service!
- The Shelby County Commission will be paying for members to go on zoo trips this Summer.
- The club received a donation of a used bookshelf from a local citizen.
- The University of Montevallo’s Trio Upward Bound program will have students come and visit members at the club over the Summer.
- Members have had thoroughly enjoyed Kona Ice, Ice Cream, and Pizza Days!
- Members swim at the local university’s pool once a week courtesy of the Michael Phelps Foundation!

Anti-Bullying – Counselors asked members if certain actions were examples of bullying or of someone just being rude/mean.

Community Service – Members assisted with handing out food at the monthly food drive that is set up in front of the club.

Positive Action – Members wrote thank you letters to an elderly gentleman who has owned a local gas station for around 40 years. He has recently received heart surgery and is recovering well!

Project Learn – Members regularly take time to select a book from our bookshelf and read after they eat.

Healthy Habits – Groups members were taught to create healthy, convenient snacks.

Triple Play – Members played badminton and dodgeball.

SMART Moves – Groups discussed how specific actions they have encountered have made them feel.

Club News:

- Facility renovations have finally begun! Overhead lighting has been replaced with LED fixtures, and the outside of the building has been re-painted. HVAC is currently in the works!
- Members held a canned food drive to better help local food-dependent families. They raised over 125 cans!
- The UM Track, Field, and Cross-Country team is planning on visiting the club weekly during the upcoming school year!
- Members visited the Birmingham Zoo and had a great time!
- Members were able to make a quick visit to Shoal Creek Park where they got to take in the beauty of nature while getting their feet wet in the creek!

**BOYS & GIRLS CLUBS
OF CENTRAL ALABAMA**

One of the perks of a career fair is all the free stuff!

These girls are plenty happy with the shoes that received from Samaritan's Feet!

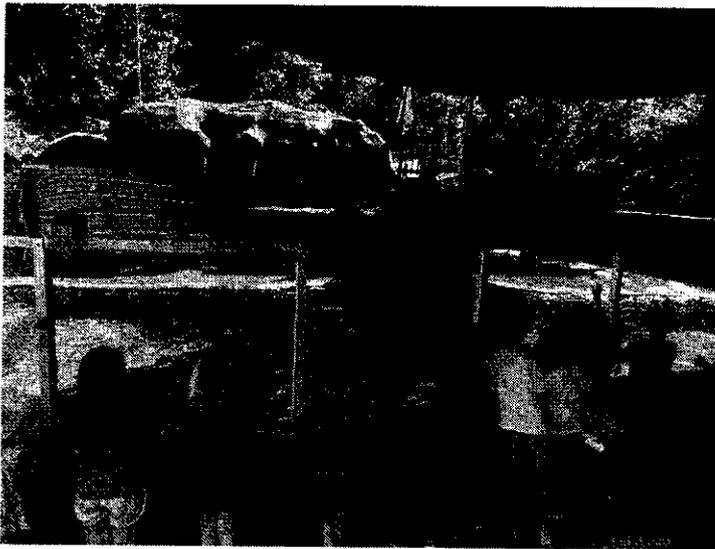

There was something in the corner everyone was interested in, coyote included!

Some members of the Bears enjoying a talk given by a representative of Summer Classics, plus they all got some swag!

The sea lions were definitely a crowd pleaser!

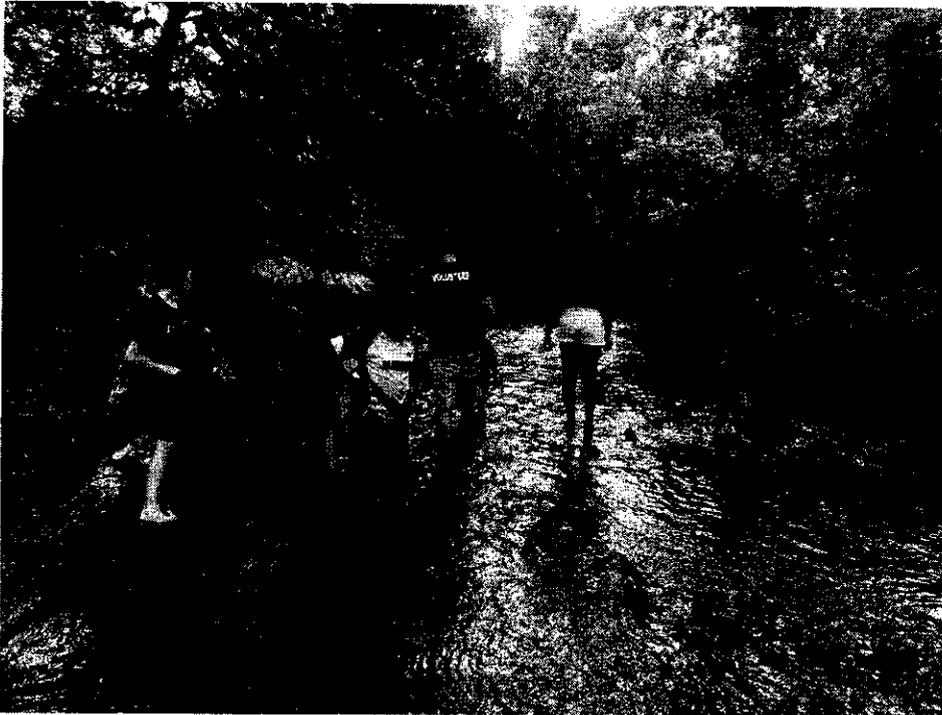

Of course the Lions had to get a photo with a real life lion!

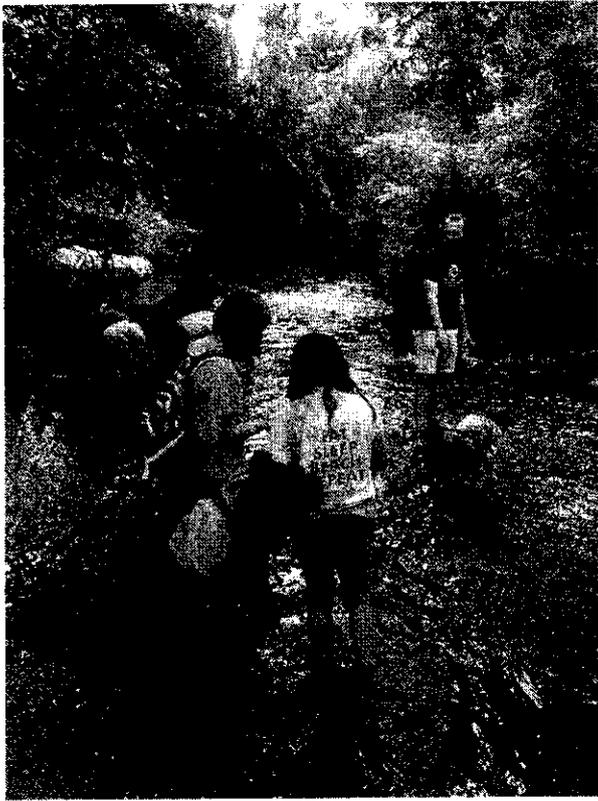

BOYS & GIRLS CLUBS
OF CENTRAL ALABAMA

The Lions loved getting to visit the reptile room and see all the turtles, snakes, and lizards!

Nothing beats a hot day than a short trip to Shoal Creek Park where you can get your feet wet while you collect some shells!

Shells and skipping rocks, what else do you need?

Nothing beats some swag from the local fire department!

APPENDIX 6

Updates

- Eight representatives from Montevallo Main Street will be attending Main Street Alabama's annual conference in Opelika next week. We look forward to learning more "best practices" and generating some great ideas of projects to bring back to Montevallo. We will also be receiving three awards at the banquet next week and will share more information at the next council meeting.
- Every year, we provide a flyer in incoming UM students' orientation packets with a starting list of downtown businesses, which serves to help introduce them to their new hometown. A copy is enclosed for your reference. In addition, we will host a "make and take" craft activity on Saturday, August 20 at Parnell Memorial Library for the incoming students, with the goal of familiarizing them with downtown.
- On August 2, I sent out this year's Tinglewood Festival press release. A copy is enclosed for your reference. This year's event will be held on September 10.
- I attended the ribbon cutting for the REACH Women's Business Center in Clanton on July 27. This is a great resource for anyone who would like technical support and advice while starting their business, or even if they have an existing business. The center is located on the second floor of River Bank & Trust, 620 2nd Ave. N in Clanton and is open 9 a.m. to 5 p.m. Monday through Friday. Anyone interested in setting up a one-on-one session with REACH can contact 256-428-8190. REACH is one of our community partners for our CO.STARTERS program, and is supported by a grant from the Small Business Administration (SBA).
- Please continue to help us spread the word about CO.STARTERS. As of today, 5 students have applied, and we have a total of 15 spots available. If you know someone who has a great idea and wants to start their first business, or a small business owner who wants to change directions and do something different with their business, this course could be a great starting point for them. The course will meet in-person for 9 weeks on Tuesday evenings from 6-9 PM at Stephens Hall on the UM campus, starting September 13, with a celebration to follow on Week 10. The cost this year is \$99/person.
 - More information about this program, including the application, can be found at this link: <https://www.cityofmontevallo.com/CO.STARTERS.aspx>

Respectfully submitted, Courtney Bennett, Executive Director

MONTEVALLO TO CELEBRATE “SHAVINGS, SMOKE, AND SOUND” DURING 4th ANNUAL TINGLEWOOD FESTIVAL

MONTEVALLO, Ala. – Alabama’s premier, all-woodworking art festival will celebrate “Shavings, Smoke, and Sound” during its 4th year in Montevallo’s Orr Park on September 10, 2022. This All Star Shelby County Tourism and Recreation Award winning event will be held from 9 a.m. to 5 p.m. Admission is free.

Enjoy a uniquely Montevallo event with live chainsaw wood carving, woodworking artist vendors, Tim Tingle’s Whittling Contest, and a wooden boat race. Festival-goers will find everything from knives, wooden bowls, vases, jewelry, and toys, to handcrafted furniture, bird houses, ornaments, and more! There will also be a classic car show—the 20th Annual Cars by the Creek—a variety of children’s activities, axe throwing, and food vendors on site.

Live music runs all day during the festival with a wide variety of styles. Musical acts include Montevallo High School Jazz Band, Chase Stewart, Mother May I, and 2BLU and The Lucky Stiffs!

The chainsaw carving exhibition will include a panel of well-known artists: Heather Bailey of Alabaster, Alabama; Justin Bailey of Alabaster, Alabama; Corey Lancaster of Princeton, North Carolina; Dave Marshalek of Shelbyville, Tennessee; and Justin Driver of Farmington, Kentucky. Artwork created during the festival will be available for purchase.

The 20th Annual Cars by the Creek car show welcomes all years, makes, and models of cars. Awards will be given to “Best of Decade,” “Best of Show” for Cars and Trucks, and “Best ‘Woodie.’” There will also be a 50/50 drawing and door prizes. Registration begins at 9 a.m.

Children’s activities will include a “make and take” art project, the “Balloon Guy,” Dr. Bob’s Traveling Snake Show, inflatables courtesy of JAC’s Rentals, and more.

Candlewood Suites Alabaster is the official hotel for the 2022 Tinglewood Festival. Call 205-620-0188 to inquire about special rates.

Tinglewood Festival is inspired by a special section of Orr Park, where local artist Tim Tingle has carved faces and creatures into the dead parts of living cedar trees since a fateful ice storm in 1993. The festival is organized by the Montevallo Chamber of Commerce, Montevallo Main Street, and the Montevallo Arts Collaborative as a signature event for the City of Montevallo.

PoE Security Camera Surveillance System The CMIT Solutions Difference

NDAA Compliant:

All components of the CMIT Solutions security camera surveillance system offering are from a USA-based manufacturer and distributor with all related product offerings NDAA compliant. The 2019 **National Defense Authorization Act (NDAA)** prohibits the use of several Chinese-made video surveillance cameras and security systems by the US government. Purchasing NDAA compliant products is important for Government entities, and private organizations that receive federal funding. Section 889 of the 2019 National Defense Authorization Act (NDAA) **prohibits US federal government agencies, contractors, and grant and loan recipients from procuring or using certain covered telecommunications equipment and services as described in the statute.** In order for *video surveillance* equipment to be installed on U.S. government properties, it must comply with *section 889* of the 2019 NDAA.

Robust & Reliable in Any Environment:

All CMIT Solutions camera offerings listed below are weather-proof (IP67) and good for both indoor or outdoor usage. IP67 provides a higher level of protection against the elements than IP65 or IP66.

All CMIT Solutions covered dome camera offerings are vandal-proof (IK10). IK10 is the highest measurement rating for protection from physical damage for security camera products using the international standard IEC 62262 scale. IK10 is the highest rating possible and should protect against many human-based forms of destructive vandalism.

CMIT Solutions IP camera system offerings come with extended PoE supporting ethernet runs of up to 800 feet (vs standard PoE distances of just over 300 feet) and powerful night vision with WDR to

combat glare from nearby lighting.

Easily Expandable & Future Proof:

CMIT Solutions Network Video Recorder (NVR) offering provides seamless, built-in expansion up to 16 cameras (up to 32, 64 or 128 channel offerings also available).

CMIT Solutions NVR and camera offerings support the ONVIF protocol making them compatible with many 3rd party systems and cameras. This capability allows a wide range of legacy, current and future device types to be supported, has the opportunity to save significant replacement and rework costs when updating an existing system and future-proofs your investment without being locked into a single vendor's offerings.

CMIT Solutions cameras are all 4MP or higher resolution (vs many lower resolution consumer offerings on the market) and support the latest H.265 high video compression technology which allows for extended video archiving with less storage.

ALL components of the CMIT Solutions security camera surveillance system are professional grade and backed by a full 3-year warranty.

Why CMIT Solutions of Birmingham South?

From Kerry Wheelles (Owner/President of CMIT Solutions of Birmingham South):

I spent over 25 years in the corporate world focused on applying the latest technologies before opening the local CMIT office. My team is excited to apply our love of technology to help you grow your business by making your technology and IT systems simple, easy to understand and reliable. Between our local staff and access to over 1000+ CMIT experts across the country, we combine the hometown service you deserve, with the power of a nationwide firm.

Security Camera Surveillance System Quote Introduction

CMIT Solutions appreciates the opportunity to quote the system offerings below and has tailored this quote to meet the requirements of the specific application requested. While we can provide a significant number of other related products and support options, the options listed below are limited to those we feel might also be applicable to the specific application. Please do not hesitate to ask for clarification on an offering below or if there are additional capabilities you would like to see.

The Network Video Recorder (NVR) is the most important component of any high quality IP surveillance system. After all, it is the NVR that stores video on the hard drive and transmits video remotely over the local LAN and/or Internet. To help you easily determine the amount of storage required by the NVR we have provided an "Estimated NVR Storage Required" chart at the end of this quote tailored to your specific current and future growth requirements. This chart allows you to see the storage requirements suggested based on the following operational choices:

- Total #-of-cameras in use
- Resolution of each type of camera
- #-of-days you choose to retain archived footage
- Method of recording surveillance footage
 - Continuously 24/7
 - Continuously during business hours, upon motion detection only after hours
 - Upon motion detection only 24/7

IMPORTANT:

Longer term archiving of surveillance footage can easily be supported (with automated backups) with the addition of external NAS storage. Please do not hesitate to ask if desired.

@ 4W). This kit is powered over POE and does not require any additional power or equipment. Running IP cameras has never been easier. Kit contains a device for both ends of 1 coax run.

A Resolution authorizing The Mayor to enter into a Contract Agreement with BFI Waste Services, LLC, dba: Republic Services of Birmingham, for the purpose of providing Residential Solid Waste Collection

WHEREAS, The City of Montevallo seeks to continue to provide and maintain Residential Solid Waste Collection Service to the Citizens of Montevallo and,

WHEREAS, the City of Montevallo recognizes that it is wise and desirable that adequate provision be made for regular and efficient collection of garbage and domestic rubbish (as defined in Solid Waste Act. No 771 as enacted into law by the 1969 Legislature, and as amended, and termed refuse in the Shelby County Board of Health regulations governing the collection, storage, transferring and disposing of solid waste) in certain areas within the jurisdiction of the City in order that the health of the citizens of the City be protected and the general welfare of the City be advanced; and

WHEREAS, the Contractor hereby applies to the City for a franchise in the exclusive residential collection and transportation to a disposal facility of such refuse, garbage, and domestic rubbish within the corporate limits of Montevallo; and

WHEREAS, the City hereby grants this requested franchise under the authority of the statutes of the State of Alabama, Solid Waste Act No. 771 as enacted into law by the 1969 Legislature, and as amended; and

WHEREAS, after soliciting sealed bids in the manner prescribed by Sections 41-16-50 thru 41-16-63 Code of Alabama 1975, and opening received bids in an open public meeting; and,

WHEREAS, BFI Waste Services, LLC, dba: Republic Services of Birmingham was the lowest responsible bidder; and,

WHEREAS, BFI Waste Services, LLC, dba: Republic Services of Birmingham as the lowest responsible bidder provided the requested required documentation to the office of the City Clerk,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MONTEVALLO, ALABAMA AS FOLLOWS:

Section 1. That the Council hereby authorizes and directs Mayor Rusty Nix to negotiate and execute the necessary documents to effect an agreement between the City of Montevallo and BFI Waste Services, LLC, dba: Republic Services of Birmingham for the purpose of providing Residential Solid Waste Collection Services to the Citizens of Montevallo.

Section 2. That the terms of this contract agreement shall begin on October 1, 2022 and expire on September 30, 2025, unless terminated by either party in a manner prescribed in the executed contract agreement.

APPENDIX 10

Steve Gilbert
City Clerk/Treasurer
City of Montevallo
541 Main Street
Montevallo, AL 3511

Dear Mr. Gilbert,

I appreciate the conversations we have had over the past couple of weeks and the opportunity to share my proposal to you for your review. The *Dewayne Moore Foundation, LLC* is excited to learn about the great plans and business development coming to the City of Montevallo. We are extremely thrilled to be included in the development process for the new Community Recreation Center on the identified land. In our conversations, we discussed the role of the *Dewayne Moore Foundation, LLC* in moving the project forward as the Project Manager/Business Development team.

Dewayne Moore Foundation, LLC has many years' experience in developing similar programs and facilities including youth sports and character enrichment programs. My team and I have the tools and expertise for this unique opportunity. The foundation also focuses on helping and equipping youth for a better future. We would welcome the opportunity to be engaged in this project, which would help give guidance to young men and women for generations to come. Specifically, *Dewayne Moore Foundation, LLC* proposes the following:

- **Project Management/Business Development Oversight** – Throughout the entire process
- **Two Citizens' Feedback Surveys** – To guide Project Planning and gain Community Buy-in
- **Phase I Grand Total: \$5,000**

The *Dewayne Moore Foundation, LLC* can provide an excellent and professional experience for you and the City of Montevallo. I understand you will ask the Mayor and City Council for approval of funding to facilitate development of this plan at the next session of City Council on August 8, 2022.

Please let me know if you need additional information to proceed. We look forward to collaborating with you and the City of Montevallo on this project and future endeavors.

Respectfully yours,

Dewayne Moore
