

MINUTES

City of Montevallyo
Council Work Session
July 25, 2016
5:30 p.m.

Mayor Hollie Cost, Council Member Rusty Nix, Council Member Jason Peterson, Council Member Willie Goldsmith and Council Member Sharon Gilbert were in attendance. Council Member Dee Woodham was absent.

Representatives from Battalion One updated the council on the progress of the unit. Their service began in Montevallyo in 2014. In 2015, they responded to 1595 calls; 567 patients were transported to the hospital. So far this year, they have responded to 905 calls. Their service lost \$11,000 last year, but was in line with what they anticipated. So far this year, they have experienced a \$33,000 loss. However, they are confident things will level out through the remainder of the year. All in all, they are very pleased with the way things are going in Montevallyo.

The Mayor noted that we have heard a great deal of positive feedback regarding their service.

The representatives said they are hoping to expand our local service. They currently have two trucks which cover Montevallyo and Columbiana. They have experienced some conflicts with RDS. As such, they now have three trucks on call during the day.

Fire Chief Bill Reid said that he is tickled to death to have them here.

The Chief went on to report on his department. He said that both of his trucks which were in the shop are out and the repairs were minor – around \$3,500 combined. He mentioned that our SCBA grant has passed the peer review stage. That doesn't guarantee we will receive the grant, but it is very good news. So far, we have no word on the truck grant.

Council Member Nix asked if there is a match required for the truck grant. The Chief explained there is a 5-10% match requirement but that is typically covered by the Fire Chief's Association.

Police Chief Jeremy Littleton presented his report:

Additional Comments:

The Chief expressed his gratitude for the support his department has received from our community. He said the citizens of Montevallo have brought them a lot of food lately as an expression of their support.

Mayor Cost added that there are a number of community unity events planned and encouraged everyone to attend as many as possible.

Council Member Nix informed the council that there are concerns regarding the swimming pool at the old swim club on Overland Road holding water and being a breeding ground for mosquitoes. Kirk Hamby, Director of Public Works, said the property is owned by Paul Brown.

Mayor Cost asked if we can help by pumping out the water. Mr. Hamby said the water can be pumped out but that it will drain into the community garden next door. Mayor Cost asked Mr. Hamby to check with Mr. Brown about that issue. Mr. Hamby said the lot is becoming overgrown and that issue will need to be addressed, as well.

Council Member Goldsmith reported that the Public Health & Safety Committee met recently to discuss a funding request from the Red Cross. He said the committee does not recommend funding at this time.

Mayor Cost congratulated Council Members Goldsmith and Peterson for being reelected to their council positions without opposition.

Mr. Hamby said that Precision Concrete Cutting is working on the sidewalks and should be finished shortly. We identified the trouble spots they are improving two years ago. We will update the map as these spots are improved and identify those locations which must be completely replaced.

Mr. Hamby also reported that the installation on the HVAC system at the Recycling Center should begin on Thursday. He noted, as well, that the "No Left Turn" signs are installed on Bloch St. He suggested we may need to paint the pavement at that location too.

Chief Littleton said his officers will give warning tickets at that location until the word has spread about the new restriction at that intersection. Mr. Hamby said they have tried to spread the word through the High School.

Mr. Hamby also reported that they had 152 cubic yards of playground mulch delivered and it should be installed soon. Also, he noted that they had some volunteers helping at the Shop last week which helped to move out a lot of electronic equipment and other stuff to either sell, recycle or trash.

He also mentioned that Montevallo High School won the al.com contest for the best football team helmet in Central Alabama.

Council Member Peterson asked about the electronic equipment we moved from the Shop. Mr. Hamby explained there are mostly old computers and TV sets.

Mayor Cost updated the Council on ValloCycle. She said they are making a lot of changes. From this point on, all of the bikes will be housed at City Hall.

Shane Baugh, Park & Recreation Director, informed the council that our 14 year old baseball team won the Dizzy Dean World Series. This is a very big accomplishment. The team went 36-3 all season. He said he hopes to do something to recognize them in the near future. Mayor Cost said that some people have suggested we hold some sort of event to recognize the team at Orr Park.

Mr. Baugh reminded everyone they can go to al.com to support MHS and vote for the best statewide football team helmet. He also informed the council that fall baseball will start soon, as well as soccer. Soccer tends to be more popular in the fall than baseball.

In the absence of Allie Williams, Council Member Gilbert presented the Library report:
