Dessilyn Chappell presented information on the Magic City Jazz Festival. \$5,000 would include 2 artists, stage and sound system. \$5000 is the entire annual budget for the Parks board. The board discussed utilizing local talent and resources should a music festival be planned in the future.

Dee Woodham shared an update on the Shoal Creek Park. Restroom/pavilion construction will target mid-Jan 2019 for completion. The Parks Board agreed to be involved in the Grand Opening event planning. Details will be discussed at the July 17th Parks board meeting. Ideas included children's bouncy house, nature tours and live music.

Paul announced building a dog park could be a multiple phased project. Johnny Holsembeck will reach out to his friends in Alabaster to learn about their dog park at Veterans. We believe funding is the biggest hurdle. We will still need to determine feasibility and location.

The next Park's event is the Senior BBQ and Bingo on Saturday July 7th. Johnny asked for a few volunteers to arrive at 10:30 to help serve, host and clean up. Johnny will talk with Rose about a sign-up sheet.

The bunny costume has arrived and is currently in the old city hall building.

The next Parks Board meeting is July 17th at 5:00pm in the senior building.
